ISSS 2017

23rd International Symposium on Separation Sciences

19–22 September 2017 | Vienna, Austria

We cordially invite you to join the ISSS 2017 !

Please visit **www.isss2017.at** for more information

Conference chairman: Prof. Dr. Erwin Rosenberg

Topics of the conference:

- Advances in chromatographic techniques
- New stationary phases for GC & HPLC
- Sample preparation
- Multidimensional separation techniques
- Novel instrumentation in separation science
- Environmental and industrial applications
- Food and consumer product safety
- Fundamental aspects of separation science

Conference secretary: Ms. Anna Satzinger, Institute of Chemical Technologies and Analytics, Vienna University of Technology
Getreidemarkt 9/164 AC, A-1060 Vienna, Austria • Email: info@isss2017.at • Phone: +43-1-58801-16401 • Fax: +43-1-58801-16499
